

# Beulah Infant and Nursery School

## 22nd June 2017

### Dear Parents and Carers,

This final half term is flying by but there are still many exciting events and visits taking place so please check the dates below and keep an eye on our website to check for any additions or changes. Remember to make a diary note for our **School Fun Day which will be taking place on Saturday 8th July at Ecclesbourne Primary School**. I would like to take this opportunity to thank you for all of your kind donations towards this event. More information will follow as we get nearer to the date.

## **INSET REMINDER - SCHOOL IS CLOSED ON FRIDAY JUNE 23rd**

### Health, Safety and Safeguarding

The sun has been shining brightly for us this week and it has been very warm in school. Thank you for making sure that your children arrive at school protected with sun screen. It is also a good idea for them to be wearing a school hat for further protection - these are on sale in the school office (no other type of hats are permitted). Children are also not permitted to wear sunglasses at school for safety reasons. Your child may mention that we are limiting the amount of time they are outside exposed to the sun during lunchtime, which is the hottest part of the day. Please note the Croydon Neighbourhood Watch Newsletter for Summer 2017 is now available in the school office.

### Sports Day

On Thursday 29th June we will be holding our annual sports afternoon (weather permitting). This year we are asking for children to wear a top matching the colour of their own house. Each class will display the houses on their classroom window next week. As always, parents are invited to come and watch. Gates open from 1:30 pm for a 1:45 pm start.

### School Council News

A great big THANK YOU to all of our parents / carers that kindly supported the school council in raising money on last week's 'Trainers Day' - you helped the children raise £211 for new playground equipment, which exceeded their target of £150. The children on the school council worked hard to organise and advertise the day in response to requests from many of their classes for more equipment. I would also like to acknowledge that Miss Gayle also works hard organising and running the school council meetings. So far new goals have been purchased and they are already in use and being enjoyed by your children! In addition, the furniture that the school council chose for the new school library is now in place and we are expecting the library to be open and ready for use in September.

### 100% Attendance!

Thank you to all parents that continue to ensure that their children come to school every day and arrive in good time to start their learning promptly. There are many children currently on track for 100% attendance over the year -keep it up! Last week both Green and Indigo class shared the highest attendance with 97% - well done to both classes.

### School Books and Home Learning Packs

Please could I ask you all to have a good look around at home for any school books, resources or Home Learning Packs that have been forgotten and return anything found to your child's class teacher, ready for the new school year —Thank you!

### Nursery spaces

Have you registered your child to start in our nursery in September?

If not, register at the office as soon as possible-it is almost full!

Debbie Butler  
Head of School

### Dates for your diary:
