

Beulah Infant and Nursery School

26th May 2016

Dear parents and carers,

Half term already—time has flown by! However, we still have a very busy schedule for the final seven weeks so make sure you take note of the important dates below. We have finally seen the sun making the occasional appearance. Therefore, please make sure your children are suitably dressed for school and have sun hats and sun cream if needed. For our part, we will keep encouraging children to seek shade and to keep hydrated if the weather gets too hot. I would like to wish all of you a restful break over the holiday but particularly our Year 2 children who have been working really hard this term completing their SATs. Have a good rest. You've earned it!

Parent Questionnaire

Thank you to everyone that has completed the parent questionnaire. We will be looking at the information provided in order to see how we can continue to improve. However, if you have not yet had the opportunity to complete the questionnaire you can still find it on the school website at: www.pegasusacademytrust.org.uk. Hurry though, the questionnaire closes on Friday 3rd June.

Challenge Week

The week after half term sees the Trust launching its first ever Challenge Week. This event is an opportunity to ensure that we are offering a broad and balanced curriculum and to have some fun with learning that is not rigidly dominated by reading, writing and maths. The children will be taking part in a number of challenges such as memory challenges, building challenges and team work exercises. There are also a number of challenges that children can try at home over the half term. These are optional extras not homework and should be seen as fun. Details of these ideas can be found on the website at www.pegasusacademytrust.org

School closures for election: Thursday 23rd June (European referendum) School closed - Inset day - Friday 24th June

Parent Governor Vacancy

Thank you to the parents that have expressed an interest in the vacancy for a parent representative in our academy Council (MAC) at Beulah Infant and Nursery School. I would just like to remind you that Friday 27th May is the closing date for all expressions of interest.

Punctuality and Attendance

Well done to all those parents who have been able to support their children towards achieving 100% attendance this half term.

Healthy Eating Week (13th—17th June)

Our children will be taking part in healthy eating activities and challenges during this week. In addition, they will also be developing their cycling skills with a trained instructor for the second part of the 'Bike It' project.
