

Beulah Infant and Nursery School

Newsletter October 2015

Dear Parents and Carers,

Thank you to everyone who supported our recent charity fundraising events. It was great to see so many children in denim as **we raised £206** for "Jeans for Genes." Last Friday's coffee morning was, according to some parents and staff "the best event ever" at Beulah. As you will see from the photographs on our website many people came to join in the fun activities in the classrooms as well as enjoy coffee and cakes. We raised an **amazing £305** for Macmillan Cancer care!

We are a nut free school. Some of our children have severe allergies to nuts and even touching or smelling one could make them very unwell. Therefore we must insist that no packed lunches contain any nuts or nut based foods, including peanut butter. Thanks for your support with this.

School Uniform. Children should wear sensible black shoes in school not trainers or boots. Please remember that only Pegasus branded baseball caps can be worn at school. These are available from 'Wovina' via the link on our website. Stud earrings are the only jewellery which can be worn. For PE lessons all children need a pair of black shorts, a white T-shirt and a pair of black plimsolls. Please ensure your child has these items in school. Thank you

Please remember that we are not allowed to grant any leave during the school term, unless this is for **exceptional** circumstances. Please also remember that, if your child is absent for any reason, you need to call and leave a message with the office staff. You must follow-up the telephone call with a written note which can be placed on file when your child returns to school. If the school does not have a written note, our educational welfare officer will flag this up as an unauthorised absence.

New Family Support Worker. We are happy to announce that here at Beulah we now have a family support worker. Claudia Bardetti has joined us from the Pegasus Academy Trust After School Club, where she excelled at building relationships and supporting families within our schools. As a family support worker, Claudia can provide information and assistance on a variety of issues including but not limited to, housing, respite care, health and social services throughout Croydon, as well as changes to a family's situation. If you would like to meet or speak with Claudia please call the school office (020 8653 4918) or email csidoli@pegasusacademytrust.org

Dates for the rest of this term
