Newsletter Friday 8th July 2016

Dear Parents and Carers,

I am delighted to forward your child's school report for the academic year 2015-16. I hope that you enjoy reading about their achievements this year. This is the first year that we report achievement based on a new assessment system and a new, more challenging curriculum so you might notice a change when comparing with previous years. If you have any questions, please ask the class teacher. Please fill in the report comment slip that accompanies the report and return it to the class teacher before the end of term. We have an 'open evening' on **Tuesday 12th July from 3.15-5.00 pm**. You are welcome to pop in and see your child's books and meet with their class teacher informally. If you feel that you need a more formal meeting, please contact your class teacher for an appointment time. Between now and the end of term, children will have the opportunity to meet with their new class teacher. The classes for 2016-17 are:

Current Class Name	New Class Name	Class Teacher
