

## **Whitehorse Manor Infant School**

### **PE Sports Funding**

**Period: 2016 - 2017**

#### **Overview**

**At Whitehorse Manor Infant School we have been awarded £9,180 in the academic year of 2016/2017. This funding has allowed us to improve the quality and breadth of PE and sport provision, including increasing participation. The funding, provided jointly by the Departments for Education, Health and Culture, Media and Sport, has been allocated to primary schools.**

**Specifically it will be allocated to work towards our aims of**

- **Increased opportunity for children who demonstrate ability in sports to access better coaching**
- **Improved resources and facilities for PE and school sport**
- **Improved PE teaching through the development of teachers and other providers**
- **Improved enjoyment in sport and increased uptake of sporting opportunities**
- **Increased participation in competitive sports**

**At Whitehorse Manor Infant School, we believe that sports and extra-curricular clubs play an important role in promoting social inclusion, healthy lifestyle and self-confidence. We have invested in working with a sport specialist who supports our enrichment sessions as well as delivering lunchtime sport activities.**

**Our aims are to use the sports funding to further advance the skills and knowledge in different areas of the PE curriculum. We would like our staff to have access to training opportunities and continued professional development in dance, as this was an area that teachers felt they would like more training.**

**We have invested in extra-curricular clubs for children who have been identified as 'non-participants' in extra-curricular sport and provide additional activities to encourage their immediate and longer-term participation in sport and physical activity.**

#### **Expenditure (approximate)**

<b>£990</b>	<b>Extra activity curricular support -TAs</b>
<b>£4,043</b>	<b>Lunchtime sport activities</b>
<b>£1,692</b>	<b>PE Equipment</b>
<b>£800</b>	<b>African Dance Workshops in year one</b>
<b>£1,500</b>	<b>Dance – CPD training for teachers with a specialist dance teacher</b>
<b>£895</b>	<b>Set-up of new gymnastic equipment at our Brigstock Site</b>

**£9,920.00 TOTAL**

#### **Success criteria**

**The impact of the new primary school sport funding on pupils' lifestyles and physical well-being has been evaluated on these factors as outlined below:**

**At Whitehorse Manor Infant School we have tried to broaden provision to include non-traditional activities so that young people in hard-to-reach groups are motivated to**

participate and so that all pupils develop healthy lifestyles and reach the highest level of performance. We have used a local sports company to work with our children once a week, one class per half term across year 1 & 2. The enrichment sports programme is designed to aid social and physical development and fitness within an enjoyable sporting environment. It encourages each child to feel they are a valued member of the group and helps them to identify their preferred sport while ensuring they are participating at a level to challenge them.

We also employ a local sports academy to work with our pupils at lunchtime, in key stage one, to help engage them in a range of physical activities.

Our Extended Services Leader organises an extensive range of alternative sports and after school clubs which has enabled pupils of all abilities and interests to participate. These range from cheerleading, twirl gym and multi-dance to football and multi-sports. Regular after school sessions strengthen the achievement and enjoyment of all pupils, including those with special educational needs and/or disabilities and pupils who are eligible for the Pupil Premium Grant.

We have introduced TA support to our extra-curricular activities, to further enhance safeguarding and to allow TAs to develop new skills.

At Whitehorse Manor Infant School we have focused on the professional development of all staff. Teachers and teaching assistants have had the opportunity to enhance their professional knowledge and understanding, based on self-assessment, in specific areas of dance. They have worked with a specialist dance teacher to improve their knowledge and teaching methods of this subject.

**Impact of PE Sports Funding:**

#### **End of Key Stage 1 Teacher Assessment Results 2016-17**

	<b>School % attaining at least at expected standard or above</b>	<b>National % attaining at least at expected standard or above</b>	<b>School % at greater depth standard</b>	<b>National % at greater depth standard</b>
<b>Reading</b>				
<b>Writing</b>				
<b>Maths</b>				

#### **Next academic year 2017 -2018**

At Whitehorse Manor Infant School for the next academic year we would like to continue using the funding to improve the quality and breadth of PE and sport provision, including increasing participation. Specifically it will be allocated to work towards our stated aims of

- **Increased opportunity for children who demonstrate ability in sports to access better coaching**
- **Improved resources and facilities for PE and school sport**
- **Improved PE teaching through the development of teachers and other providers**
- **Increased enjoyment in sport and increased uptake of sporting opportunities**
- **Increased participation in competitive sports**
