## Newsletter 7th May 2019

### Dear Parents and Carers,

We are looking forward to the Summer. As ever, we have a busy term ahead so please take a moment to check the dates below and get them into your diary. We have tried to include everything to give you as much notice as possible but inevitably sometimes the dates have to change or new events get added. We will try to keep you as up to date as we can. Dates and events are also posted on to the website so it's always good to check there if you're not sure. <http://www.pegasusacademytrust.org/events-calendar>

**Time to get on your bike** Do you have an old bike that you'd love to ride to school but it needs a bit of fixing up before you can get going? On Wednesday the 22nd May, we will be running a bike surgery at the school. We have two bike mechanics coming along to try and get us all back on our bikes. They will be here from 8:30 am with their box of tools and they'll be able to carry out all sorts of minor repairs to hopefully get you back in the saddle. Maybe the tyres just need a little bit of air but you haven't got a pump. Maybe the brakes aren't really good enough to keep you safe. Maybe the seat is too high or too low or you just need a little bit of oil on the chain. Bring your bike to school in the morning and the mechanics will try to get it fixed and ready to ride. Any more major repairs the mechanics will be able to advise you on what you need to have done and how much it should cost if you went to a bike repair shop. This is a great opportunity to get your bike ready for the Summer and the school is covering the cost so it's all free.

### Other events in the coming weeks

**Wednesday 8th May** - Class photos
