Dear Parents/Carers of Year 6,

SECONDARY SCHOOL ADMISSIONS

Please be aware that the secondary school application process is now open. Applications need to be completed online via the eAdmissions website – www.eadmissions.org.uk. You must also access the prospectuses online as schools are no longer distributing them. Please take time to research the process and the schools you will be considering for your child: all the information you require is available at www.croydon.gov.uk/admissions.

We strongly recommend that you visit your preferred schools - open evening information can be found on the Cypress website under 'Other Communications'.

For those of you considering private schools, grammar schools or schools not in Croydon, please contact the school directly as the criteria and application process can differ.

On Wednesday 16th October, I will be running an open workshop for parents who need help to fill out the form. I will be available between 2 -3pm in the Computing suite at Cypress Upper – please sign in at the office and they will direct you. If you need any help with your online application form, please come to see me during this time.

Please be aware that the closing date for forms is the 31st October 2019; please do not leave your form until the last minute.

Thank you for your support,

Mrs N. Carpenter
