Friday 16th November 2018

Dear parents and carers,

Meeting about the teaching of mathematics

We are holding a meeting for parents of children in Key Stages 1 and 2 to explain the methods and strategies taught for addition and subtraction. This will provide us with the opportunity to explain the reasons why we teach these methods and to help you support your children with their learning. There will be opportunities for you to participate and to 'have a go!'

The meeting will take place on the evening of Thursday 29th November, from 5:45pm to 7pm at the upper site hall, and we do hope you can come!

We anticipate a sizeable response, so if you would like to attend, please complete the reply slip below and return it to your child's class teacher by Friday 23rd November.

Thank you,

The Pegasus Maths team

I would like to attend the addition and subtraction calculation meeting on Thursday 29th November, at 5:45pm at the upper site hall.

Child's name _____ Class _____
