

Beulah Infant and Nursery School

End of Foundation Stage teacher assessment results, 4 year trend

	2013	2014	2015	2016	National 2015
Good Level of Development	43%	53.4%	63.3%	73.7%	66%

National figures for 2016 are not yet available.

For the fourth consecutive year the EYFS profile shows a significant improvement in the percentage of pupils achieving a 'good level of development' (GLD*). Our attainment results were confirmed as accurate when the school was moderated by the local authority and our judgements were validated.

* GLD is attained by those children working at age related levels (Early Learning Goals) in 12 out of the 17 curriculum areas.
