| | 2015 % of pupils attaining at Age Related Expectation or above | 2016 % of pupils attaining at Age Related Expectation or above | % increase of pupils attaining at Age Related Expectation 2015 to 2016 | National 2016 % of pupils attaining at Age Related Expectation or above |
|----------------|---|---|--|--|
| Reading | 69% | 71% | 2% | 74% |
| Writing | 49% | 66% | 17% | 65% |
| Maths | 57% | 70% | 13% | 73% |

*Each pupil is the equivalent of 1.3%

We are extremely proud to share our 2016 KS1 teacher assessment results with you. Even with the challenge of a new, more demanding curriculum, we have been successful in securing an improved set of results that are similar to or slightly above national figures with an increased number of pupils attaining at age related expectation or above. Our attainment results were confirmed as accurate when the school was moderated by the local authority and our judgements were validated.
