

# **PE and Sport Provision at Atwood Primary School**

**2022-2023**

Senior leaders and members of the academy council have considered the 5 main priorities for the effective spend of the Sports Premium which are:

- *The engagement of all pupils in regular physical activity. It's recommended that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school*
- *The profile of PE and sport is raised across the school as a tool for whole-school improvement*
- *Increased confidence, knowledge and skills of all staff in teaching PE and sport*
- *Broader experience of a range of sports and activities offered to all pupils*
- *Increased participation in competitive sport*

And therefore, to make these more operationally achievable, Atwood has 'merged' the 5 priorities into 3 Key Indicators, and these are:

## **Key indicator 1:**

- The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school

## **Key indicator 2:**

- The profile of PE and sport being raised across the school as a tool for whole school development, including increasing the confidence, knowledge and skills of all staff in teaching PE and sport

## **Key indicator 3:**

- Broader experience of a range of sports and activities offered to all pupils with increased participation in competitive sport, especially at KS1

In 2021-2022, there were 60 children in the Year 6 cohort. **88% of these pupils could swim competently**, confidently and proficiently over a distance of at least 25 metres, use a range of strokes effectively and perform safe self-rescue in different water-based situations. We worked intensively on a weekly basis with the 12% of children who were not meeting this expectation. Atwood used some of its additional Sports Premium Grant to fund such lessons.

**The Sports Premium funding for Atwood is 2022-23 is £19,570 This is how we plan to spend the funding:**
