

Beulah Infant and Nursery School

Thursday 26th March 2026

Dear Parents and Carers,

We have made it to the end of the busy spring term and are now hoping the summer sun joins us soon! Next term, our Year 1 children will be taking on important assessments but we will be making sure that the children continue to enjoy their learning as there is no need for them to be concerned. Please check the calendar section of the website and the notice boards outside each classroom for upcoming dates as this is always a very busy term! We will also keep you informed of any other dates as soon as we have them. Have an enjoyable and restful break. School opens on **Monday 13th April**. Let's hope it will be a sunny start to the Summer term!

Punctuality and attendance

The school opens at 8:45am. Any child who arrives after **9:00am** is late for school and **must be brought to the office by a parent or carer where the lateness can be noted**. Children should be collected promptly at **3:15pm** by an adult who is known to us. If anyone different is going to collect your child please let us know. We will not let a child leave school with an adult we do not know. If your child is absent from school please record this on Studybugs or inform the office as soon as possible. Where possible we ask that you make medical appointments for your child outside of the school day. It is important for children to maximise their time in school so that they have the best outcomes. If your child is unwell and you are unsure if you should send them to school please follow this useful link for NHS advice about common childhood illnesses <https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>

Contact details

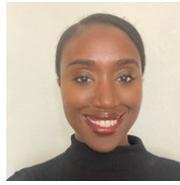

If you have changed any of your contact details/plan to change them over the holidays, please let the school office know so we can update our records. It is really important that we have an emergency contact number should we be unable to contact the primary parent/carer.

Parents MACs Please see the three parent MACs below. MACs are volunteer members of the school academy council and they meet periodically to consider standards in the school.

Uniform Can I just remind everyone that footwear should be black shoes or completely black trainers. There should be no other colours of footwear, including brand names and logos, unless they are also black. The children only need to bring their red school book bag into school each day - **no back packs please**. Jewellery is unsafe in school and can cause injury to your child or one of their friends. However, if your child has their ears pierced small studs are allowed. **ALL uniform must be labelled, including footwear.**

PE: Please ensure that your child wears their PE kit to school on their PE day. **This is a plain white top, plain black shorts, plain back jogging bottoms and their normal school jumper.** Children should wear trainers or plimsolls to school on PE days. The PE days are as follows. Please note that one class each half term from Y1 and Y2 will have two PE days.

Reading is a fundamental life skill that we want children to develop and improve within EYFS and KS1. We ensure that Reading is a priority within our curriculum; not only through Phonics lessons but through our English and Reading lessons. In order to support us with this, we ask that every child reads at home to an adult **every day** i.e. 10 minutes a day. Your child is bringing home a carefully selected Little Wandle book each week. This consolidates the reading that has happened during the week. It is important the children have an opportunity to share this book, in which you can talk to them about the characters, the events in the story, the vocabulary and share their success with reading and phonics knowledge. A time to celebrate! We ask that the **reading diary is completed each day** with a short comment about the reading or the pages that have been read. Your comments can also include any words that the children found challenging. Please continue reading over the Easter break. **Please ensure that the reading diary and book are returned to school on a daily basis.**

Thank you for your continued support with this.
