

Arrangements regarding celebrating birthdays in school

Dear parents and carers

Due to the current health and safety arrangements in school around Covid-19 we ask that you **do not** send birthday cake or party bags into school for your child's birthday.

In the past, to celebrate a child's birthday parents have donated a 'birthday' book to the class reading corner in celebration of their child's special day. We are able to quarantine donated books for 48 hours before introducing them into reading corners.

We thank you for your continuing support.
