

1.

Anabelle

Once upon a time, there was a beautiful kind girl called Anabelle. She had a long, luscious ponytail and peach soft skin like a newborn baby.

Anabelle was living with her horrible stepfamily in a smaller cottage next to a magnificent gorgeous garden.

Her stepfamily kept telling her to do all sorts of chores.

In the morning Anabelle was forced to dress like a servant and she was angry.

Anabelle had enough of her bratty step-sisters but she didn't do anything because of course she ~~was~~ would be in big trouble.

One morning Anabelle had woken up and took a bath.

"That sleep was enchanting!"

Cheered Anabelle as she was yawning.

So on Anabelle ran down stairs and went to the living room.

2.

There they were the two enormous Step Sisters, what was it now? Anabelle thought to herself.

"Hey peasant go wash my clothes the ball is going to start!" Shouted the mean Step Sister angrily.

"Wait b-but can I come?" questioned Anabelle

"No you can not come!" ^{screamed} shouted the other Step Sister. Anabelle wiped her tears as she washed the Step Sisters clothes.
