

Khlaneir the pretty girl  
Many years ago, there <sup>once</sup> ~~one~~  
lived a lonely, young girl  
called Khlaneir. Between the dark  
sea and the creepy forest, she  
lived in a humongous mansion.  
Sadly her mum died before she  
was even 1. Khlaneir had  
a dwarf with an evil boy cousin  
and a cruel sister.

Khlaneir had eyes like a crystal  
and skin as smooth as a sether.  
She was kind, gentle girl.

However her cousin and sister  
bossed her around and  
disgustingly she had to

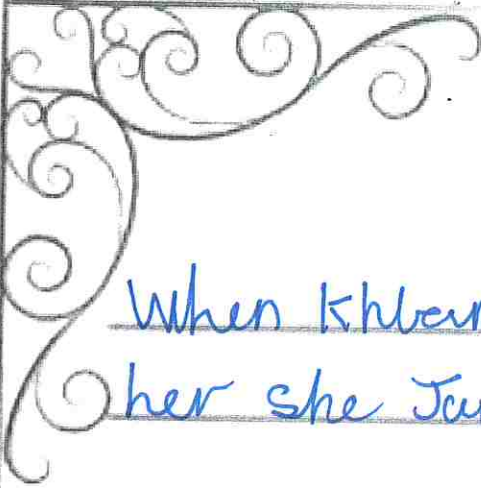

give them a perfect temperature bath!

On afternoon, a letter came in the post. It was the princess's birthday party. When they read the letter it said all the ladies in the kingdom had to come. After that Khlanir's sister said that she couldn't come.

Unexpectedly, a kind faced woman appeared in a puff of smoke and she heard a word.

"Oh what do we have here?"

enquired the fairy god mother.

When Kibaneit ~~saw~~ ~~saw~~ saw her she jumped in surprise.

"Who are you?" Mattered Kibaneit.

"I am your fairy god mother!" and with that Kibaneit was ready to go to the party.
