

Once upon a time in a far away land lived in a lovely, beautiful girl named Ella. She lived in a Royal, pretty castle that had shiny, sparkly gems shaped like diamonds. Ella had cheeks like apples and her hair was as gold as the sun. She was kind, gentle and caring. However her evil step sisters were mean as miss Trunchbull. They

both had pimples at the edge of their nose. Every morning they made Ella clean the floors and polish their shoes.

"Do my chores you arrogant girl!"
shouted Anastasia angrily

"Oh, ok I will do what you say!"
responded Ella
Off Cinderella went and done
the dishes.
