

Once upon a time in a  
ginourous, majestic mansion,  
as big as a mountain in  
madrid, There lived a black  
boy, with eyes as blue as the  
deep, blue sea named Cind.  
He loved his mansion.

He lived with 4 lazy,  
controlling brothers wich were  
as lazy as a sloth.  
They had big, hairy legs  
and they ~~look~~ looked  
like oafs.

His fat brothers made  
him do all the chores  
like washing the clothes  
dishes cautiously.

"Wash my shoes for  
me now!" commanded  
the evil brother pointing  
at the stairs. At the stairs

"O kray but it will take  
take long." replied Cind  
in a low voice.
