

In a long time ago there their was a older day train that people used to go on.

Rich people went to the Exhibits Exhibition.

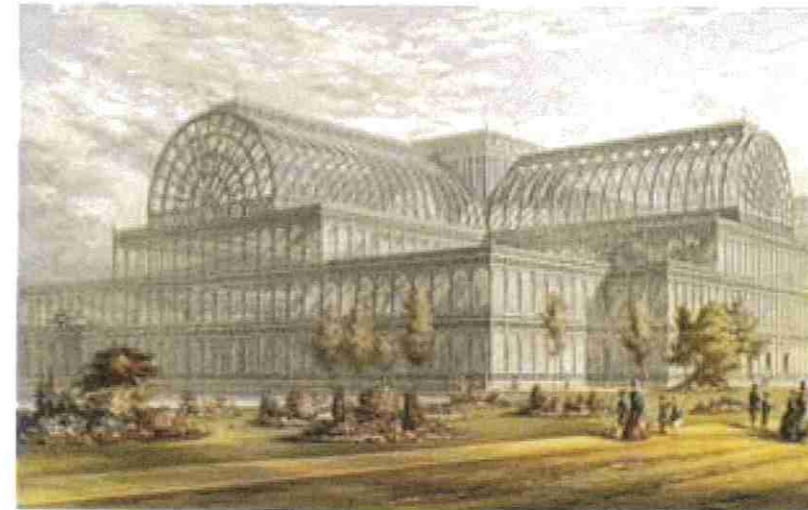

What Do I Know about The Crystal Palace

Joseph Paxton made it the crystal palace.

Most people went on, but when tickets were 1 shilling.

In the older days the schools teachers were really strict.

In the crystal palace, lights their was these moving dinosaurs.

Camera ~~photos~~ The crystal palace was built in Hyde Park. It was built above the trees.

Crystal got burned down in 1938.

The Victorians created: Camera, Photos, typewriter, Morse, road, light bulb, Scooters

Blank lined writing area.
