

## Discover the marvellous world of classical music with David Walliams!

What's both MARVELLOUS and MUSICAL? David Walliams's Marvellous Musical Podcast, that's what.

You might well have heard of Mozart - and you've definitely heard his music. But did you know that he loved fart jokes and had a pet starling? Or that Beethoven was so scruffy he was once arrested for being a tramp.

And have you heard the story of the ballerina who was so jealous of one of her fellow dancers that she released a flock of chickens during a performance?

My favourite has been listening to the John Williams's episode. He who wrote the music for Harry Potter, Star Wars, ET and Indiana Jones to name a few!
