As ever, at this time of year we have some leavers and new arrivals. We are very sorry to say goodbye to Mr Ingham who is relocating back to Cumbria and Mr Sawh who is leaving to take up a new challenge. I am grateful to them both for everything they have done during their time here especially through the school closure period and we wish them all the best in whatever they do next.

We are excited for Mrs Marsh, Miss Matthews and Miss Waters who are going off on maternity leave. We will miss them greatly but are delighted for their happy news in these unsettling times. We look forward to meeting their new arrivals as soon as possible.

We welcome to the school, Miss Brady, Miss Hardaker and Miss Gurkasli and I know that you will help them to settle in to Ecclesbourne come September. We are also pleased to welcome back Mrs Fisher from her maternity leave.

I am happy to say that we have been able to bring in experienced leadership support from across the Trust to cover the deputy posts. Mrs Sullivan joins us from Whitehorse Infants and Mr Powell joins us having worked in various roles across all the schools in the Trust. Mr Winborn will also be offering some leadership support. Between them they offer a wealth of experience across all the key stages. A mix of experienced teachers and some fresh new faces offer an exciting opportunity for the school as we look ahead to the new year. I wish you all a relaxing Summer and look forward to seeing you all in September.

First day of new term: Thursday 3rd September: – see dates for 2020-21 on reverse. This is the planned date for return to school. However, please check the website for updates over the Summer as circumstances can change very quickly.
