## Ecclesbourne Primary Academy

### Welcome to Harrison Catering Service

The catering service at Ecclesbourne Primary Academy is provided by Harrison Catering Services, an independent, family-owned company founded in 1994.

The Harrison proposition is centred around the on-site preparation and cooking of top-quality meals made with fresh ingredients. Over 100 clients across the UK enjoy a Harrison food service, with more than 100,000 meals being served each day by approximately 2,000 staff across more than 270 locations.

### Working in Partnership with Ecclesbourne Primary Academy

Our catering team will work with the school to tailor menus to the tastes and preferences of the pupils. We will introduce further interest and excitement to our menus through themed lunches ranging from holidays like Easter and Christmas to cuisines from around the world, tying these into the school curriculum whenever possible. These activities further reinforce the importance of eating a balanced diet of nutritious food.

### Providing Healthy School Meals

Harrison understands that what children eat affects their health and their ability to learn and perform in the classroom. At Ecclesbourne Primary Academy our catering team will provide nutritious, balanced meals and we will work to educate the pupils on how to make healthier food choices. Our goal is to instil a love and understanding of fresh, healthy food at a young age that will positively influence them throughout life. All Harrison staff receive training in how to prepare and serve healthier food through the company's bespoke Eat Well Live Well© training programme.

In addition, our focus on fresh food means that only minimal amounts of fried foods appear on our menus—generally in the form of much-loved British favourites like fish and chips. We also aim to maximise access to fruit and vegetables by offering a choice of cooked vegetables, salads, healthier snacks and fresh fruit daily. Every egg we use is British-sourced and free range, all our fresh meat is Red Tractor certified, British and fully traceable and all our fish holds the Marine Stewardship Council certification, meaning we are only serving fish from sustainable stocks and species not on the endangered list.

We have a comprehensive policy for children with food allergies. Please contact us for further information.

### Silver Food For Life Catering Mark

Harrison Catering Services has been awarded the Silver Food For Life Catering Mark at Ecclesbourne Primary Academy in recognition of the high-quality of our food, promotion of healthier choices and sustainable purchasing.

The Food for Life Catering Mark brings together all of the issues people care about—health, climate change and animal welfare. It recognises restaurants and caterers who serve fresh food which is free from controversial additives and better for animal welfare. More and more, people want to know where their food comes from and how it was produced. The Food for Life Catering Mark provides reassurance that the food we serve meets high standards of traceability, freshness and provenance.

### We Welcome Your Feedback

Hearing your thoughts on our catering service is an essential part of getting things right and developing the foodservice at your school. Please feel free to speak to our catering manager if you have any comments.
