WALT publish a fable.

One sunny evening there was a hare and a tortoise and they decided to race and they were in a lovely mossy forest. Well the hare is really arrogant. Later while they were deciding where to go but the hare was thinking "I am obviously going to win" he whispered to himself and the hare ~~was~~ ^{was} annoying while the tortoise is ^{slowly} and while the hare was running ^{quickly} to the ^{place} to go and the tortoise agreed.

Then chose the fox as the umpire "Go go go!" the fox screamed "haha I'm already half way there!" the hare shouted. X

As the hare was coming to the finish line the hare saw the tortoise cross the finish line the hare said "I'm sorry I will never do it again!" the hare said ~~sadly~~ sadly "it's ok" the tortoise said happily
THE END
