

Hi its me your pencil
And if you like sharpening me
Now you'll see why I hate you.
Drawing, doodling, and
Writing is all I ever do..
Rights and wrong always get rubbed out,
If you try to rub me out you'll only fail.
Tall, slim always wearing a grin,
I won't give answers.
No I hate being chewed on
Go and chew on anything else but me.

Rub me out as much as you want,
Unless rubbers won't work.
Living in a tray waiting for,
Evil people to sharpen me.
See I'm so usefull.
