

Letter to myself

Think about how you will have changed by the end of the year. What do you hope you will have achieved by the end of the year? Think about things like reading, handwriting, what do you want to have learned? How do you feel about starting Year 3?

Dear Radin,

I am so ~~glad~~ full to be in
year three. this year
I would like to find
more friends and
improve my history
and improve my art.
I would like to improve
8 times table and
7 times tables. I would
like to solve difficult
problems and be a
learner. I would like
to learn 4 times tables.
