

Letter to myself

Think about how you will have changed by the end of the year. What do you hope you will have achieved by the end of the year? Think about things like reading, handwriting, what do you want to have learned? How do you feel about starting Year 3?

Dear Aidan,

I am so excited to be in school.
This year I will want to get
better at literacy and maths. This
year I will want to get better at
science. This year I want to
improve my reading and getting more
independent learners. This year I want
to improve getting listening skills.
This year I want to improve my
writing skills. This year I want
to get better at
times tables and
times tables and
times tables
