WALT use descriptive language

A Woolly Mammoth was a large hairy beast. Its giant body was covered in brown, shaggy fur. This woolly mammoth's tusks were as sharp as a box cutter. The mammoth's eyes were as black as the night sky. Its stubby legs were stomping up and down. Its trunk is as long as a giraffe's neck. The woolly mammoth's tail was short and tiny. Its body was enormous and large. The woolly mammoth's trunk was flexible so it could drink water through it.
