NumBots Day

Dear Parents and Carers,

'NumBots' is a new computer programme that we have purchased for the children in Years 1 and 2. It is designed to help pupils practise and learn their mathematical skills and knowledge in a fun and exciting way. All the children have been given a user name and password which they can use to log on to the website both at school and at home.

The website address is <https://play.numbots.com/#/intro>

On Thursday 19th November, Cypress will be hosting a 'NumBot' day to launch the programme. Children can come to school dressed as a number and we will be having a special assembly to introduce it.

Have a look at the dressing ideas on the next page!

Thank you for your support.

Miss C Wenham
