

If you don't have a packet of skittles you can still play the game by making a spinner.

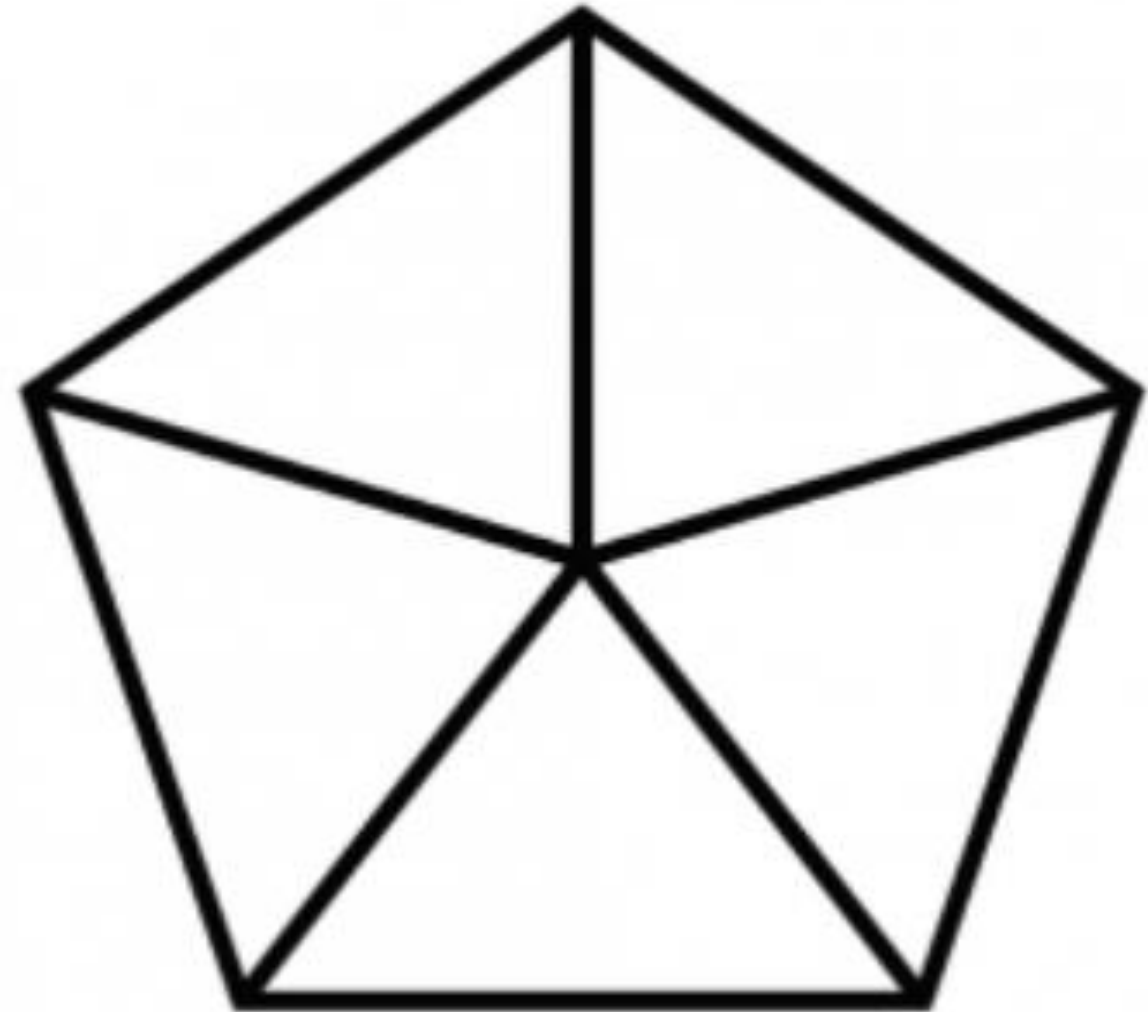

# SKITT DO

You will need:

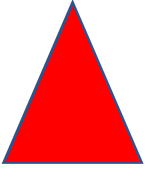

- A piece of paper
- A piece of card
- A pencil
- Colouring pencils/pens
- Glue or tape.

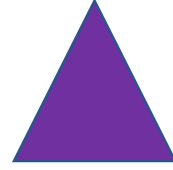

1. Cut out the pentagon template on this page and stick it onto a piece of card.
2. Cut around the shape again.
3. Colour each section of the pentagon a different colour.
4. Push your pencil through the centre of the pentagon.
5. Now spin your pencil! Whichever colour the pentagon lands on that is the task that you have to do.
