Dear parents and carers,

As you are aware, each year at Cypress, Y5 are in charge of the Christmas performance. This year will be no different, even though the performance will be unlike anything we have done before. Instead of hosting all the parents in school to watch a live version of the show, the year 5 children and staff will be putting together a filmed version of the production.

We will of course be following the appropriate safety guidelines, so the show will look and sound quite different, but we have some exciting things in store and cannot wait for you to see it. The premiere will be on **Monday 14th December 2020** and a few days before this date you will be informed as to how you can access the video.

We will be starting our rehearsals in class from next week, so please do support your children with any lines they may need to practice at home. Once all of the roles have been assigned, your child will be informed what clothing they will need to have in school for the recording – we will let you know via text when we have told the children – so please do ask them what they will need once they have been told.

Thank you in advance for your cooperation,

Ms Horvatova, Mr St Aimee and Mr Prewer
