

Animals

Animals come in many shapes and sizes, Like humans they are dark, deceitful and disguised

Albatross, Ants, Antelope, Hardwork too

Bees, Butterflies, Badgers, Bunny poop

They gallop, they hop

Dogs, Ducks, Dermatologist, wait they're not animals

They'll collect your mail, They'll answer your phone, If your lost they'll bring you home.

Elephant, Earwig, Eagle and Eel

Caraffe, Crocodile, Goat

They can't talk though that's no reason not to be nice.
