He climb up enea matins he ~~climb~~
and finlea he reachs the sier
he jupt in the watar he stating
to swim in the watake ~~and~~ and
til he cood swim now mar he stated
to ware he nilee got trapt bily a
outpos he nilee got trapt bily a
clam he want and til he can
swim now mor he got a lift bily a wate

From my friend's mail I learned he caught
the shark he wanted and wanted
and I learned that the site he lived
below to a person he was close
the people were there but he can't find any
beasts that let him stay in a place.

Every day I visit him. He had
friends but he is lonely so he turned
on the TV television and the
his Papa but he must live on
yogon at night he crept at night
and wanted and wanted he needs the
sea he swam and swam and he
started to run up the ~~water~~ river
I - he crept through a cave he went
over a river a river climbed
up a cliff he was so surprised
to see some more beasts.
