

What is School Council?

At the start of the school year, each class voted for two School Council members to represent their class. In our meetings, we discuss any ideas and suggestions to help make the school community a better place and work together on projects to promote the wellbeing of the children in our school.

Our projects so far...

- In October, we demonstrated our Pegasus Values by showing ‘We Care’ when we held our Harvest Festival assemblies. We hope you spotted the posters promoting this event which were designed and created by our talented School Council team. Thank you to everyone who responded with generous donations which were gratefully accepted by St Alban’s Foodbank.
- More recently, School Council have been working on a project to revamp our ‘Feel Good 5’. Every day in every classroom, we try to incorporate 5 elements into our day to help our wellbeing. These are:
 - 1) A calm start to the day – relaxing music, engaging early work
 - 2) Fuel your brain – bagels and fruit to eat, milk and water breaks
 - 3) Move your body – movement and brain breaks, fresh air
 - 4) Mindfulness moments – breathing, yoga, colouring and craft opportunities
 - 5) Celebrate the day – reflecting on the positives, enjoying a story

School Council has created a poster for each classroom to help us remember them as we believe these are five ways to help us have a great day!

Promoting Harvest Festival

Our all-new Feel Good 5!

Projects in the pipeline...

We will soon be busy on our next projects. At Whitehorse Manor Infants, we take our safety seriously so, with that in mind, we have two projects lined up.

The first project is continuing our recent work on Online Safety. We will be following on from our assemblies and learning about Safer Internet Day to promote reminders of how we can ensure we all stay safe online. Look out for our online safety information leaflets being published soon!

Another safety issue that we will be promoting is that of road safety. We will be discussing the rules of road safety and we look forward to sharing these with our classmates in an assembly in the not too distant future.

Your School Council representatives

Always there for you with a friendly smile and a listening ear, here are your School Council representatives this year.

School Council	
Purple class	Marayah and Talique
Lilac class	Diana and Riley
Indigo class	Kalicia and Ibrahim
Green class	Robin and Luay
Yellow class	Lylie and Chigozirim
Jade class	Ameedah and Daryl

Got an idea? Let us know!

We are always happy to listen to any ideas that you think School Council may be able to help with. This may be things we can discuss or projects we can work on and may include ways to improve our school environment or our wellbeing. You can leave us a message on our new School Council noticeboard, in the corridor near Ms Hall's office, or by telling your class representative or Mrs Clapham in year two. We look forward to hearing your ideas!
