Cypress Lower School Council

Dear Parents/Carers and children,

Next week we will be holding elections to elect class representatives for the Cypress Lower School Council from Years 1 and 2. Our elected class representatives will hold office for the year. They will report issues and discuss improvements they and their classmates think would benefit the school, inform school leaders of events that have been enjoyed by themselves and their peers, and use this to embark upon, with their class representative peers, a child led programme of positive change. We see this is an exciting opportunity for the children to have a voice in our school and to take on a position of some responsibility.

We have discussed School Council in our assembly today and we hope that you will encourage your own child/children to stand for election to represent their class. The School Councils have two representatives from each class in Years 1 and 2. There will be an election in all classes next week. The results will be announced in our Rainbow assembly next Friday 25th September.

Attached to this letter is a manifesto sheet for your child to complete, should he or she be interested in standing. They will need to think carefully about each section and plan what they want to write first. Please ensure your child has completed the manifesto and brought it to back to school by Wednesday 23rd September should they wish to stand for election. Your child will have a chance to read out their manifesto to their class before the election takes place. We are trying to minimise the amount of paper and letters we are printing so if you cannot print the manifesto, please just write on a piece of paper from home, using the sentence starters.

If you have any questions, please email the school office so they can contact your child's class teacher.

Kind regards,

Miss C Wenham
(School Council Leader – Lower School)
