24th November 2023

Dear Parents/Carers,

Year one class trip to the Science Museum

This term, we are learning all about space and the first trip to the moon. As part of this exciting topic, we will be visiting the Science Museum on **Thursday 7th December**. The children will be taking part in an exciting workshop called 'Destination Space' where they will find out how astronauts travel, live and work in space. We will also be visiting the 'Exploring Space' exhibition. Have a look at the website to find out more: <https://www.sciencemuseum.org.uk/learning/see-and-do-schools/ks1-popular-itineraries>

On the day of the trip, we will be travelling on public transport and will be leaving just before 9am. We will let the children in early on that day at 8:15am. We will aim to be back by 4pm, but will let you know if we are running late.

The children must wear full school uniform, comfortable walking shoes and a warm coat with a hood. Children will also need a packed lunch (and a drink) in a back pack. If you would like the school caterers to provide a packed lunch, please complete the attached form and return it to the office by the end of the day on Friday 1st of December. Please ensure that your child brings an empty back pack to carry their lunch and a filled water bottle.

We are asking for a parental contribution of **£5.00** (non-refundable) per child to cover the workshop. This is to be paid via your Magicbooking Account.

<https://pegasusacademy.magicbooking.co.uk/Account/Login>.

Please complete the Google form to give permission and submit the food catering form if you would like a school packed lunch.

<https://forms.gle/vdkMv6g4DksY1kw5A>

We will welcome parent/carer volunteers to join us. If you can help us on that day, please let your class teacher know. If we have lots of volunteers, then we may need to 'pick names out of a hat'.

Yours sincerely,

Mrs M Gill & Mr W Spriggs
