

PACKING FOR YOUR ADVENTURE

WHAT TO BRING

Below you can find our recommended kit list for the students and staff. We stress that it is not necessary to go out and buy all new and expensive kit for a trip with us as you may be able to borrow some items from friends or family. Please remember to pack enough though for a fresh change of clothing each day.

THE ESSENTIALS TO PACK:

- Large rucksack or holdall
- Small rucksack to carry the essentials

A series of teal geometric shapes, including triangles, rectangles, and curved segments, arranged in a descending spiral pattern from the top left towards the bottom right of the page.

WHAT NOT TO BRING

Please do not bring electrical equipment or technology on to camp, to avoid the risk of expensive items being lost or damaged. We do understand however, that you may need to be contactable, so will provide you with the facilities to charge your electronic devices during the trip if required. As with all rural locations, mobile signal may vary, and the field team can advise where the strongest signal is for your network provider whilst you are with us.
