

Look at the images below of artefacts and structures from the Stone Age. Use the images to make notes about what life might have been like in the past.

Mesolithic headdress - who might have worn this?

Stonehenge - why was this built? What was it used for?

Stone ball -Do you think this is a weapon, ornament or a toy? Who might have used it?

Jewellery - What was this made from? Who wore it?

Logboats - What was the boat made of? What did they use it for?
