

Wolf Brother Comprehension Answers

Chapter 29

1. Why does Vedna, Oslak's mate, appear to dislike Torak?
'she was furious with him.' page 206. She snapped and snorted at him.
2. What reminders of the bear's attack are there in Fin-Kedinn's shelter?
'the string of the great yew bow was broken and the white reindeer-hide parka was spattered with dried blood.' Page 209
3. Why has Fin-Keddin let Torak be sentenced to death, be fought by Hord, and tied up whilst being threatened to be sacrificed?
To test Torak – 'To see what you were made of,' Fin-kedinn said calmly - page 210.
4. Why did the Healers become evil and turn into the Soul-Eaters?
They wanted power and control – 'To rule the forest. To force everyone in it to do their bidding.' Page 213.
5. What does Fin-Kedinn say is the most important quality a hunter can have?
'to be a listener.' Page 214

Chapter Thirty

1. Why does Torak smear Death Marks on his skin before he leaves for the mountain?
So that if he dies during his mission, his souls will stay together into the afterlife. 'I don't want to risk my souls getting separate.' page 216.
2. What five materials has Vedna used on Torak's new clothes?
Duckskin, reindeer hide, hare fur, pine marten fur and dogfish skin – page 219
3. How can Torak tell the prints in the snow are of a buck (young male deer) rather than a hind (female deer)?
'they don't pick up their feet as high as hinds do.' Page 221
4. What things does Torak leave by the tree as he heads up the mountain?
His quiver and bow, pack, sleeping pack, waterskin and axe – page 223
