Dear Parents/Carers,

Y3 Caveman Extravaganza

Year 3 will be hosting a Caveman Extravaganza in a specially designed outdoor classroom for our Thematic Stone Age topic. The cavepeople will be based on the field in their interactive tent at Atwood **on Friday 5th June**. This amazing opportunity will enrich children's understanding of this time period through immersive, hands-on activities.

The children will enter the Stone-Age classroom through an archway of ancient paintings to emerge into another world! The floor will be lined with the skins of hunted animals, walls will be painted with scenes from ancient times and everyday objects from thousands of years ago will be on display for children to explore!

The experience will begin by introducing the children to the timeline expanding from the Palaeolithic connecting to the Neolithic age and beyond. After orientating the class as to where they are in 'time', they will move on to life in the stone age and the skills and abilities it took to survive. Workshops will be available for children to experience making fire, preparing and tasting food and flint knapping. This amazing Extravaganza will continue when the children return to school. Children will learn about using animals to survive as well as cave art and technology making this a day they will never forget!

We are asking for a **parental contribution of £10.00**, which is non-refundable, to cover the cost of the cavepeople. This is made via Magic Booking.

<http://www.pegasusacademytrust.org/bookings>

As this workshop takes place at Atwood during the school day, you **are not** required to complete a consent form for your child to take part.

We are asking that children dress up as people who would have lived in the Stone, Bronze or Iron ages so that we can immerse them in a really special day of activities. Some suggestions for this are wild hair, painted faces, 'animal' furs and ragged clothes. We do not expect you to go out and buy a costume. The children should have an idea of what to wear as we have been looking at lots of paintings and drawings of the time. It would be lovely to see as many creative homemade costumes as possible.

We appreciate your help and support.

Kind regards

The Year 3 Team
