14th October 2025

Dear Parents and Carers,

Y3 Crystal Palace Workshop

As part of our Crystal Palace unit, we have organised an architectural workshop that will take place in school. This workshop will support the children's learning in history, design and technology and further develop their team working and problem-solving skills.

Pupils will work individually, in teams and altogether to construct a huge model of The Crystal Palace, learning about the new prefabrication techniques of the industrial age. During the process, they will learn about when and why the palace was built, its relocation and ultimate destruction by fire. There will be problem solving, teamwork and a great celebration as the students raise the palace roof some 3.5m high. Pupils will be invited to walk through the structure in procession as Victorian ladies and gentlemen.

The workshop will take place for Year 3 pupils on **Monday 20th October**.

We are asking for a **parental contribution of £4.00**, which is non-refundable, to cover the cost of the workshop. This is made via Magic Booking:

<http://www.pegasusacademytrust.org/bookings>

As the workshop is taking place in school you are not required to complete a consent form.

Thank you for your support,

The Year 3 team
