10th February 2026

Dear Parents and Carers,

Y3 Geography Fieldwork Trip

Monday 23rd February 1.30pm Ruby Class

Tuesday 24th February 9.30 am Jade Class

As part of our Thematic geography curriculum, we will be exploring Sanderstead village on the above dates. This is a visit local to the school and we will therefore walk the short distance.

Once there, the children will be learning about how to survey an area for a purpose. They will be identifying a suitable place for a new coffee shop by counting the footfall in different parts of the village and considering the most appropriate place to build it. Ruby class will be leaving school at 1.30pm and will return by 3pm. Jade class will be leaving at 9.30am and should be back in school by 11.30am. Information about this trip has already been put onto Google classroom.

Children will need to wear full school uniform and bring a waterproof coat in case of rain. They can also bring a water bottle.

We would be grateful for offers of help from parents who would be able to accompany us on this trip. If you are available, please give your details on the google permission form.

Please use the link below to the google permission form to give permission for your child to take part.

Yours sincerely,

The Y3 Team
