11th September 2026

Dear Parents and Carers,

Y6 Natural History Museum

To support the children's learning in science, we have organised a visit to the Natural History Museum, in South Kensington. The children will take part in an Evolution Workshop, specifically aimed at Y6 children. They will have the opportunity to have hands on experiences and explore how certain animals have evolved over time while developing their critical thinking skills. The cost of the workshop is £3.50 and payment should be made via **Magic Booking**.

Children will be visiting on **Wednesday 7th October**. We will leave school at approximately 9:00am and hopefully return by 3:15-3.45pm. We are travelling by bus to Sanderstead Station, train to London Victoria and tube to South Kensington.

To ease the journey home, you may collect your child, or have your child collected by another adult, directly from Sanderstead Train Station. If you would like to do this, please indicate this on the google form.

All children will need a packed lunch. **If your child would like a Free School Meal on that day, please complete and return the lunch order form to the school office by Wednesday 30th September 2026.**

Please ensure that your child wears full school uniform and sensible walking shoes as the day involves lot of walking.

The children will be supervised by adults at all times. If you can support with this trip, please express an interest on the Google form.

Yours sincerely,

Year 6 Team
